

Ingleside Tutorial follows Charlotte Mason's principles of education; therefore, our methods are very different from traditional education.

As co-educators with parents, our desire is to encourage one another and be of like mind. There is some pre-work to be done prior to submitting an application.

The pre-work will take approximately 3 hours. You will determine very quickly if you are drawn to this model of education or if it doesn't resonate with you.

Before submitting an application, we ask that parents/guardians watch/read/listen to the following (the following is a recommended order for the best understanding):

- WATCH

- ASI video Part 1, *Persons or Products?* (7:06 minutes) [The Ambleside Difference – Ambleside International \(amblesideschools.org\)](https://amblesideschools.org)
